

# Use CLEAR to connect in more places and ways.

**At home.** Like DSL or cable without the installation appointment or wires. Set-up takes just minutes.

**On the go.** Take the internet with you across the city. Now your computer has the internet where you want, not just at home.

**On the phone.** Clear Voice at home allows you to talk as much as you want for one low price.<sup>3</sup>

**CLEAR Internet+.** Enjoy on the go 4G everywhere in CLEAR coverage and expanded 3G mobile internet coverage in your city and across the U.S.

**Shared with others.** With Clear Spot you can create your own portable network for up to eight Wi-Fi enabled devices.
